Technical drawing of a glass bottle with a handle and a decorative pattern. The drawing includes dimensions: height 80, filling level 700±10ml, diameter Ø94, and a base diameter of 265±1.8. It also shows a cross-section of the bottle neck with dimensions Ø36±0.5, Ø18.5±0.5, and Ø17min. A detail view of the base shows a 30° angle and a 5mm height. The bottle is labeled "2 изюмина и оптимизированная крышка" and "Alpen Rose Collection".

Technical drawing of a mechanical part showing three views: front, top, and side. The front view shows a circular part with a central hole and a slot. The top view shows a circular part with a central hole and a slot. The side view shows a trapezoidal part with a 30-degree angle. Dimensions are given in millimeters.

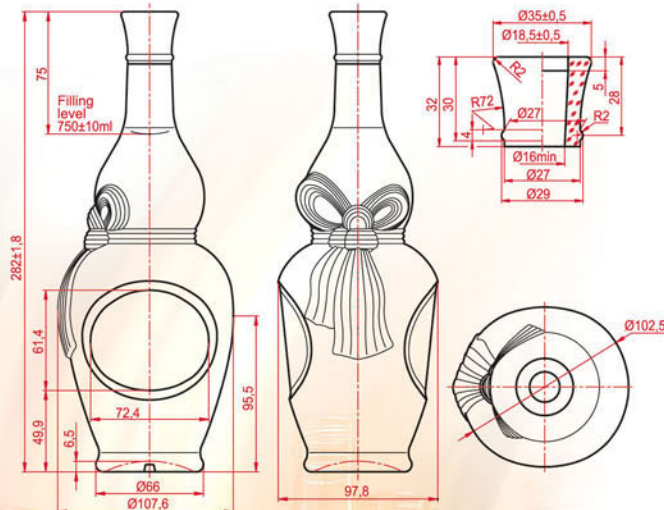

A clear glass bottle with a curved handle, likely for perfume or fragrance. The bottle has a rounded body and a narrow neck. The handle is attached to the side of the bottle. The background is a soft, out-of-focus yellow and white.
